SAINTS NEWS

INTER-HOUSE UPDATE

For this week's inter-house activity, we were excited to see some great basketball matches. On Monday, Aquinas took the upper school match while Bosco won in lower school. Tuesday saw Laval take victory in both upper and lower school, as Wednesday went similarly with Aquinas winning both matches.

Bosco Playing against Aquinas

Laval Playing against Lwanga

COLLEGE WHISPERS

With this year's midterm madness wrapping up, form 5 parents just got to meet with their sons' teachers. For their sake, let's just hope most of their grades are pleasant to look at! Otherwise, we might have to report on some much graver incidents soon...

It has also been alleged that some other schools have been gunning to hear our school's panorama selection. But are we really that famous or is all this just the Hersey it seems to be?

SPORTS

Our Football teams left their fans with a little uncertainty this week as the under fourteen and under sixteen teams each lost 1-0 to Tranquil and ISPS respectively followed by a 2-1 win for the First Eleven against San Juan North Secondary. Among the goal scorers in that match were Fin De Freitas and Jamari Gilkes, the latter of which being a true man of his word. Just a day before the match, he swore to his peers that his name absolutely would appear on the score sheet. Beyond keeping his word and scoring, he also provided the assist for the match's only other goal, keeping his promise and then some! And finally, in what is likely the most unusual Football result this week, Malick Secondary forfeited against our Under twenties. With two losses and two wins, one thanks to the unusual forfeit, our Football teams this week exemplified to us life's unpredictable nature. Nevertheless, we must be able to adapt to this unpredictability and be able to overcome any issue that comes up in our lives' endeavors. In terms of Football, let's just keep supporting our teams no matter what they have thrown at them, they will certainly appreciate it.

SAINTS TO ROYAL SLAM SEMIS

Next in sports, the saints Basketball team earn their spot in the Royal Slam semi-finals after an amazing performance against St. Anthony's. Their spearhead was none other than Nkobi Ince who followed up his day one man of the match placement with another. Scoring 68 points, 17 rebounds and 10 steals, he is proving to be an indispensable asset for the saints and a menacing threat for any other team in the tournament. We all wish him along with the rest of his team great luck in their semi-final match against Queen's Royal College on this coming 8th of November.
